NOTIFICATION.

No. 4404—L.A., Bangalore, dated 8th October 1951.

As required by Rule 69 of the Rules of Procedure and Conduct of business in the Mysore Legislative Assembly, the following report of the Select Committee on the City of Mysore Improvement (Amendment) Bill, 1951, with the amended Bill is hereby published.

G. S. VENKATARAMANA IYER,
Secretary,
Mysore Legislature.

REPORT OF THE SELECT COMMITTEE ON THE CITY OF MYSORE IMPROVEMENT (AMENDMENT) BILL, 1951.

(*Presented on 8th October* 1951.)

We, the Members of the Select Committee appointed to consider the City of Mysore Improvement (Amendment) Bill, 1951, have examined the Bill in detail and have the honour to submit the following report :—

Clause 3.—We recommend that in item (1) of the proposed section 2 for the words "prescribed by" the words "payable under" may be substituted, and in item (5) for the words "State Government", the words "Government of Mysore" may be substituted.

Clause 4.—We think that it is unnecessary to make the Superintending Engineer for the time being in charge of the Mysore District an *ex-officio* trustee of the Board and we accordingly recommend that in the proposed section 4 the words "Superintending Engineer for the time being in charge of the Mysore District" may be deleted and for the word "eleven" the word "ten" may be substituted.

This amending Bill provides for the enlargement of the Board of trustees by increasing the number of trustees from 9 to 11 (10 as recommended by us). Most of the persons who are trustees under the existing Act continue to be trustees in the Board as reconstituted by the Amending Bill. We are of opinion that all the trustees of the existing Board who would continue to be trustees in the Board as reconstituted by the Bill should continue in office without any fresh election or appointment. We accordingly recommend that the present clause 4 may be renumbered as clause 4 (1) and the following may be added as sub-clause (2) namely :—

"(2) Notwithstanding anything contained in any law for the time being in force, the three trustees appointed

by the Government and the two trustees elected by the Municipal Councillors to the Board and holding the office of trustees immediately before the commencement of this Act shall be deemed to have been appointed or elected to the Board as constituted under section 4 of the said Act as amended by this Act:

Provided that the aforesaid trustees shall unless they vacate office earlier or are disqualified under the provisions of the said Act, continue to hold office for the term of two years from the date of the *Mysore Gazette* in which their names were first notified under section 5 of the said Act as trustees of the Board."

Clause 10.—We are of the opinion that the Chairman should have power to incur expenditure up to Rs. 3,000 as in the case of the Commissioner of the Corporation of the City of Bangalore and that the Board should have the power to incur expenditure beyond Rs. 3,000 but up to a limit of Rs. 10,000, and that in respect of expenditure exceeding Rs. 10,000 the approval of the Government should be obtained. We also feel that within these limits power should be available to these authorities to call for tenders and prepare estimates. We accordingly recommend that clause 10 may be recast as follows:—

"10. For section 10 of the said Act, the following section shall be substituted namely:—

"10. (1) The Chairman may on behalf of the Board sanction any estimate, call for tenders and enter into any contract or agreement whereof the value or amount shall not exceed three thousand rupees in such manner and form as, according to the law for the time being in force, would bind him if such contract or agreement were on his own behalf; and every such contract or agreement shall be reported to the Board at the next ordinary meeting thereof.

(2) The Board may sanction any estimate, call for tenders or enter into any contract or agreement the value whereof exceeds three thousand rupees but does not exceed ten thousand rupees; and where the value of any estimate, contract or agreement exceeds ten thousand rupees, the previous sanction of the Government shall be required.

(3) Every contract or agreement on behalf of the Board other than a contract or agreement under sub-section (2) shall be in writing and shall be signed by the Chairman and sealed with the common seal of the Board as hereinafter provided. No contract or agreement unless executed as in this section provided shall be binding on the Board.

(4) The common seal of the Board shall remain in the custody of the Chairman who shall personally affix to any contract or other instrument."

Clause 12.—We think that the delegation by the Chairman of any of his powers and duties under this Act could be provided for by rules under section 38 of the Act, and we accordingly recommend that clause 12 may be deleted and suitable provision made under section 38 and the other clauses of the Bill suitably re-numbered.

Clause 12. (*Original clause 13*).—We recommend that sub-section (2) of the proposed section 14 may be recast as follows:—

"(2) The Board may also from time to time make any new or additional improvement schemes,

(i) on its own initiative, if satisfied of the sufficiency of its resources, or

(ii) on the recommendations of the Municipal Council if the Council places at the disposal of the Board the necessary funds for framing and carrying out any such scheme, or

(iii) otherwise."

We recommend that in sub-section (3) of the proposed section 14, for the words "any other scheme", the words "any improvement scheme" may be substituted.

Clause 15. (*Original clause 16*).—We consider it desirable that alterations in the scheme should require the previous sanction of the Government if the difference between the scheme as sanctioned and the scheme as altered is more than 5 per cent of the sanctioned cost instead of a fixed sum of Rs. 10,000 as suggested in the Bill. We accordingly recommend that in clause 15 for the words "ten thousand rupees" the words "five per cent" may be substituted.

Clause 16. (*Original clause 17*).—We recommend that the betterment fee should be one-third of the increase in value and not one-half. We accordingly recommend that in sub-section (2) of the proposed section 18-A, for the word "one-half", the word "one-third" may be substituted.

We consider that the period of three months proposed as the period within which an appeal should be filed before the District Judge against the award of the arbitrator is too long and should be reduced to one month and further that such appeals may lie not only against the decisions, but also against any orders of an arbitrator. We accordingly recommend that in sub-section (4) of the proposed section 18-C, for the words "three months", the words "one month", and for the words "the decision" the words "any order or decision" may be substituted.

We recommend that in the proposed sub-section (1) of section 18-E for the words "communicate his award", the words "communicate the substance of his award in writing" may be substituted.

We feel that the rate of interest on betterment fees which is outstanding payment should not be 6 per cent but only 4 per cent. We accordingly recommend that in the proposed sections 18-F, 18-G and 18-H, for the words "six per cent" the words "four per cent" may be substituted.

We consider it unnecessary to have a provision like sub-section (5) of the proposed section 18-G. We recommend that it may be omitted.

We consider it desirable that where the Board takes up any improvement work under the proposed section 18-K, the Municipal Council should be consulted if the works relate to an area within the jurisdiction of the Municipal Council. We accordingly recommend that to the proposed section 18-K, the following proviso may be added:—

"Provided that the Municipal Council shall be consulted if such area lies within the limits of the City."

By the amendment to the proposed section 14 (clause 12) recommended by us, the Board will take up new or additional improvement schemes on the recommendations of the Municipal Council if the Council places the necessary funds for carrying out such schemes at the disposal of the Board. In such a case we think it equitable to provide for the payment of the betterment fees to the Council. We accordingly recommend that after the proposed section 18-K, a new section may be added as follows :—

"18-L. Where the increase in value of any land is the result of the execution of an improvement scheme made on the recommendation of the Municipal Council and for which the Council has placed at the disposal of the Board the necessary funds for framing and carrying out such schemes, the betterment fee collected by the Board from the owners of such land shall be credited by the Board to the municipal fund of the Council."

Clause 18. (*Original clause 19*).—We consider it desirable that the Municipal Council should be consulted before powers and the functions of the Council or Standing Committees or the Commissioner are delegated to the Board or its authorities. We accordingly recommend that to sub-section (1) of the proposed section 20-A the following proviso may be added :—

" Provided that the Municipal Council shall be consulted before making such declaration."

Clause 20. (*Original clause 21*).—We are of the opinion that in areas that lie within the local limits of the Municipal Council private lay-outs or extensions should be sanctioned by the Board only with the concurrence of the Municipal Council and in case of difference of opinion, the matter should be referred to the Government whose decision thereon must be final. We accordingly recommend that to sub-section (1) of the proposed section 21-A, the following proviso may be added :—

" Provided that where any such extension or lay-out lies within the limits of the City, the Board shall not sanction the formation of such extension or lay-out without the concurrence of the Council :

Provided further that where the Council and the Board do not agree on the formation of or the conditions relating

to the extension or lay-out, the matter shall be referred to the Government whose decision thereon shall be final."

Clause 22. (*Original clause 23*).—Since the Bill provides for the levy of betterment fee and for the payment of betterment fee and interest thereon to the Board, we consider it desirable to provide in section 26 that these sums should also form part of the said Mysore Improvement Fund. We accordingly recommend that clause 22 may be recast as follows :—

"22. In sub-section (2) of section 26 of the said Act for the word "Councillors" the word "Council" shall be substituted and the following item shall be added at the end namely :—

(*c*) Subject to the provisions of section 18-L betterment fee and other sums due and paid to or recovered by the Board under the provisions of this Act."

New clause. (*Clause 26*).—We recommend that a new clause may be inserted after clause 25 as follows and the subsequent clauses suitably re-numbered :—

"26. In section 33 of the said Act for the word 'Comptroller' the words 'officer or authority appointed by the Government for this purpose' shall be substituted".

Clause 28.—As we have suggested that clause 12 may be deleted and section 38 suitably amended, we recommend that clause 28 may be recast as follows :—

"28. (1) In sections 37 and 38 of the said Act for the word 'councillors' the word 'council' shall be substituted."

(2) In section 38 of the said Act,—

(i) the word 'and' at the end of clause (1) shall be omitted;

(ii) clause (*b*) shall be re-lettered as clause (*c*) and before clause (*c*) as so re-lettered the following clause shall be inserted namely :—

'(*b*) For the delegation by the Chairman of any of his powers, duties or functions under this Act or any rule made thereunder except those conferred by or imposed upon or vested in him by sections 9, 12, 28, 32 and 45 and for the conditions or limitations

subject to which such delegation may be made and ' "

Clause 30.—We consider it unnecessary to have a provision like the proposed section 44-A as this matter is covered by the bye-laws and we accordingly recommend that clause 30 may be deleted and the subsequent clauses suitably re-numbered.

Clause 31. (*Original clause 32*).—As section 46 is intended to protect the Board and its officers against belated suits we recommend that for clause 31, the following clause may be substituted :—

" 31. In sub-section (1) of section 46 of the said Act, for the words 'against any person' the words 'against the Board, the Chairman or any officer or servant of the Board or against any person acting under the direction of the Board, Chairman or officer of the Board,' and for the words 'such person', the words 'the Board' shall be substituted."

The Bill was published in the *Mysore Gazette* Extraordinary dated 14th March 1951. In our opinion the Bill has not been so altered as to require circulation.

execution of the scheme estimated as if the land were clear of buildings exceeds the value of the land prior to the execution of the scheme estimated in like manner, and the betterment fee shall be one-third of such increase in value.

18-B. (1) When it appears to the Board that an improvement scheme is sufficiently advanced to enable the amount of the betterment fee to be determined, the Board shall, by a resolution passed in this behalf, declare that, for the purpose of determining such fee, the execution of the scheme shall be deemed to have been completed and shall, thereupon, give notice in writing to every person on whom a notice in respect of land to be assessed has been served under sub-section (2) of section 16 or to the successor-in-interest of such person, as the case may be, that the Board proposes to assess the amount of the betterment fee payable in respect of such land under section 18-A.

(2) The Board shall then assess the amount of betterment fee payable by each person concerned after giving such person an opportunity to be heard and such person shall, within three months from the date of receipt of notice in writing of such assessment from the Board, in writing whether or not he accepts the assessment.

(4) Any party aggrieved by an award may, within one month from the date of the communication thereof, appeal to the District Judge, Mysore Division, whether the case arises within or outside the limits of the City, and any order or decision of the said District Judge shall be final and conclusive and binding on all persons.

Board to give notice to persons liable to payment of betterment fee.

18-F. When the amount of all betterment fee payable in respect of land in the area comprised in the scheme has been determined under section 18-B or 18-C, as the case may be, the Board shall, by a notice in writing, to be served on all persons liable to such payment, fix a date by which such payment shall be made, and interest at the rate of four per cent per annum upon any amount outstanding shall be payable from that date.

Agreement to make payment of betterment fee a charge on land.

18-G. (1) Any person liable to pay a betterment fee in respect of any land, may, at his option, instead of paying the same to the Board, execute an agreement with the Board to leave the payment outstanding as a charge on his interest in the land, subject to the payment in perpetuity of interest at the rate of four per cent per annum, the first annual payment of such interest to be made one year from the date referred to in section 18-F.

(2) Every payment due from any person in respect of a betterment fee and every charge referred to in sub-section (1) shall, notwithstanding anything contained in any other enactment and notwithstanding the existence of any mortgage or other charge, whether legal or equitable, created either before or after the commencement of this Act, be the first charge upon the interest of such person in such land.

(3) If any instalment of interest due under an agreement executed in pursuance of sub-section (1) be not paid on the date on which it is due, the betterment fee shall become payable on that date, in addition to the said instalment.

(4) At any time after an agreement has been executed in pursuance of sub-section (1), any person may pay off the charge created thereby, with interest, at six per cent per annum up to the date of such payment.

(5) * * * *

18-H. All moneys payable in respect of any land by any person in respect of a betterment fee under section 18-B or section 18-C or by any person under the agreement executed in pursuance of sub-section (1) of section 18-G, shall be recoverable by the Board (together with interest due, up to the date of realization at the rate of four per cent per annum) from the said person or his successor-in-interest in such land in the manner provided by the Mysore City Municipalities Act, 1933, for the recovery of taxes and if the said money is not so recovered, the Chairman may, after giving public notice of his intention to do so, and not less than one month after the publication of such notice, sell the interest of the said person or successor in such land by public auction, and may deduct the said money and the expenses of the sale from the proceeds of the sale, and shall pay the balance (if any) to the defaulter.

Board to appoint persons for enforcement of processes for recovery of dues.

18-I. The Board may direct by what authority any powers or duties incident under the Mysore City Municipalities Act, 1933, to the enforcement of any process for the recovery of taxes, shall be exercised and performed when that process is employed under section 18-H.

Agreement of payment not to bar acquisition under a fresh declaration.

18-J. If any land in respect of which the payment of a betterment fee has been accepted in pursuance of sub-section (3) of section 18-B, or has been made after its determination under section 18-C or in respect of which an agreement in regard to the betterment fee has been executed under section 18-G, be subsequently required for any of the purposes of this Act, the payment or agreement shall not be deemed to prevent the acquisition of the land in pursuance of a fresh declaration published under section 6 of the Mysore Land Acquisition Act, 1894.

Power of Board to take up works for further improvement.

18-K. Notwithstanding anything contained in any other provisions of this Act, the Board may, with the previous sanction of the Government, take up such works in regard to any area as the Board considers necessary or desirable for the further improvement of that area:

Provided that the Municipal Council shall be consulted if such area lies within the limits of the City.

The expenditure incurred or proposed to be incurred or such portion thereof, as may be determined by the Board and approved by the Government in carrying out such works, may be recovered by a *pro-rata* levy on the owners of properties benefited by such works as may be determined by the Board. The said sum may be recovered as any other sum due to the Board under the provisions of this Act.

Crediting betterment fee collected to the funds of the Council in certain cases.

18-L. Where the increase in value of any land is the result of the execution of an improvement scheme made on the recommendation of the Municipal Council and for which the Council has placed at the disposal of the Board the necessary funds for framing and carrying out such schemes, the betterment fee collected by the Board from the owners of such land shall be credited by the Board to the Municipal fund of the Council."

Amendment of section 19 of Mysore Act III of 1903.

17. In section 19 of the said Act, for the word "Councillors" wherever it occurs, the word "Council" shall be substituted.

18. Section 20-A of the said Act shall be re-numbered as section 20-B and before that section as re-numbered, the following section shall be inserted, namely :— Insertion of a new section before section 20-A.

"20-A. (1) In any area or part thereof to which this Act applies, the Government may, by notification in the *Mysore Gazette*, declare that from such date and for such period as may be specified therein and subject to such restrictions and modifications, if any, as may be specified in the notification :— Board and Chairman to exercise powers and functions under the Mysore City Municipalities Act, 1933.
